Dear friends of go4peace,

every morning a miracle occurs, the sunrise. Out of deep darkness the life-giving light is born - as on the morning of creation. We watch in amazement. Something is happening around us, with us and in us. The certainty that deep down everything is good surrounds us. Everything is created out of love and called to love.

Jesus was often on the road in the early hours of the morning, immersed in deep conversation with the one he called his Father. He knew: There is only one love. And so he lets his friends understand: "As the Father has loved me, so have I loved you!" (John 15:9)

Love wants you to be well. It gives itself, creates a space of freedom, allows it to grow. In the love from which you are born and to which you are called, all that counts is to love. That's how you'll grow.

Unexpectedly, a friend had been admitted to a hospital far away. He was not feeling well. The desire to see him burned in me. So I postponed some appointments and set off. When he saw me, tears stood in his eyes. In the midst of all the medical equipment, we found a deep and honest encounter. I promised him that I would pray and be in contact with his wife and children, whom he cared for. When we said goodbye, it was clear: **There is only ONE love!**
